Dear Professors Sholette, Bass, de Balanzo Joue, and Larson:

On behalf of Provost Elizabeth Hendrey, I'm happy to inform you that your Research Enhancement Grant, *Art Against Austerity/Memories of Disinvestment/Pageantry of Resistance*, will be partially funded for \$10,000. You are expected to reduce the travel component of your proposed budget.

Funds for Research Enhancement Grants come from the Provost but are managed by the Research Foundation. This means that all expenditures must follow RF policies and procedures. Original receipts should accompany completed RF payment requests or travel vouchers and be submitted to Mary Ann Watch in the Office of the Provost. If you have any questions, please ask before spending your funds.

All expenditures must be completed by September 1, 2018. If you need an extension or if you wish to change the purpose for which your funds will be spent, please contact me as soon as the issue arises. A final (one-page) report is also due to me by October 1, 2018.

Congratulation on your award. We appreciate your efforts and wish you success in your scholarly pursuits.

Yours sincerely,
